Overview: This luxurious penthouse is superbly located in the heart of Fuengirola with the seaside boulevard, and all amenities, shops and restaurants right at your doorstep. It has a spectacular 360° view from its 87m² terraces, overlooking the sea, the Sierra Nevada and part of town. All on one level with underfloor heating throughout, this property has a living area of approximately 200m² and it features three ample double bedrooms, three bathrooms of which one ensuite, a separate guest toilet, a cosy living room with fireplace and dining area, a fitted kitchen with breakfast area, a sauna, a utility room, a covered glazed room with jacuzzi/SPA pool, a stunning glazed terrace for the colder winter days and two spacious open sunny terraces with awnings. It has the perfect orientation (SE-SW) with the sun all day long. No worries for noisy neighbors next door as it is the only property on the top floor. You really have a good feeling of privacy here. Included in the price also comes a private underground gated parking place, right next to the lift which brings you straight to this property. a must seen!
