Overview: A piece of ANDALUSIAN History . Old OLIVE MILL of Guaro . Edge of the village . Original features and machinery . SWIMMING Pool . Fantastic Views . So many possibilities . **UNIQUE** This is the original Olive Mill of Guaro, as you can imagine it is steeped in history with many original features, it is a very special. **Property Details:** The house is a well built traditional village townhouse with lots of character and lovely ceramics. The main feature of this property is the outdoor space, it is very rare to find such space in a village. Sitting at the edge of the village with open views of the distant hills. In the centre of the courtyard garden is a swimming pool surrounded by terraces, to the side and rear of this area are the workings for the old olive mill. This property has so much potential as home, a tourism site, possibly wedding venue, restaurant you could let your imagination run wild. **Outdoor area and Land:** Pool and large patio area. **Views:** Countryside **Access:** Good.
