Overview: Beautiful dream villa of 561m² on a 6640m² plot with avocado tree plantations. This three-storey villa is distributed as follows: On the first floor it has 3 large bedrooms, one en suite with a large jacuzzi and a hydromassage shower, an extra bathroom and a separate toilet. A modern fitted kitchen with dining area and a fireplace and a small storage room. In the basement is again a small kitchen and a living room with fireplace, a small wine cellar, 3 bedrooms, 1 game room and 2 bathrooms and a sauna. The whole house is equipped with underfloor heating, internal lighting system and sound system. On the plot there is a very large swimming pool of 15x8 meters, a very large outdoor barbecue area and an outside toilet. Under the umbrella, it has a great room with a round window that provides 360 degree spectacular views.
