Overview: A spectacular first line golf plot in one of the most prestigious areas in Marbella Guadalmina Baja. There is a small House with its pool built in the plot now which can be renovated according to the client's needs and wishes or a new modern House can be developed. The direct Access to the golf course. Fantastic views. The plot is surrounded by trees and plants which gives a lot of privacy. Just a few minutes walk to the beach and the Hotel Guadalmina. A great opportunity for investors or clients who dream to built a villa in a quiete and luxury area of

Marbella.
