Overview: For a large family or to partially sublet, this large property offers 3 units under the same roof! Being close to everything, this property offers more than 6,000 square meters of land with many fruit trees and shade trees, a swimming pool, a carport (or motorhome parking given the height) and some wooden shelters, easy to remove if useless. The property is located in the town of Alhaurin de la Torre, near the "Lauro Golf" golf course and only 15 kilometers from the coast and Malaga airport. Accommodation n ° 1 includes 1 entrance porch / terrace giving access to the living room with fireplace and living room with beautiful staircase leading upstairs. On the ground floor there is a bedroom and a large bathroom with shower tray, an equipped kitchen and access to the back of the house with its terrace and its garden. Upstairs, 3 other bedrooms, one with dressing room, a large bathroom with bathtub and a hall with access to a terrace with breathtaking views of the surroundings. A large underground room, the size of the living room makes this unit complete ! Accommodation n ° 2 includes a covered porch, a large central room with a bathroom on the right and a partially equipped kitchen on the left. Accommodation n ° 3 includes a terrace, a room to be fitted out, 1 shower room and two bedrooms upstairs. This house offers many possibilities and deserves a viewing! The accommodation n ° 1 is in an excellent condition, the accommodation 2 and 3 remain to be finished in some of the areas.
