Overview: A truly spectacular frontline beach project of sixty eight apartments and exclusive penthouses with two to three bedrooms; as well as two unique and magnificent four bedroom villas, built with the best materials and finishes. The complex has large gardens, large pools and beautiful landscaping. The buildings have simple shapes, with delicately drawn curves. In addition, there is also a spa and gym. Through the large windows, you will have panoramic sea views. The location is great, only a five minute drive to Estepona Town with all its amenities.
