Overview: Very large plot in the exclusive and prime location of the Golden Mile, classified as consolidated urban land. The buyer's architect will need to apply for the building licenses at the Ayuntamiento according to what their project will be but there is already a Project Schedule Report in place for the 8 townhouses. There is permission to build 2,500m² on the land and the possibility to build up to 5 villas or 8 townhouses which would have panoramic sea views to Gibraltar and the coast of Africa. Offers accepted!
