Overview: Near the exclusive marina of Puerto Banús, in Marbella, is the Vasari Resort Apartments complex, unique accommodation where you can enjoy an unforgettable season in the south of Spain. These apartments have everything necessary so that their guests only have to worry about enjoying themselves. They are decorated in a modern and elegant style, where the wooden furniture combines perfectly with the light tones selected for the elements that give life to their rooms. A sophisticated place to spend an unforgettable vacation. They are equipped with a modern kitchen with a stove where you can prepare all kinds of dishes, a private bathroom, a living room with a television with satellite channels, and spacious and bright rooms. They also have a washing machine. The apartment complex has a common area where Internet connection is available and a games area. It has outdoor pools surrounded by tropical gardens and a pool bar that offers breakfast and lunch. It also has three paddle tennis courts, a beauty salon and a hairdresser's. Guests are offered the possibility of parking in a private car park and a series of services are provided for their comfort, such as bicycle rental, luggage storage, ticket sales, tourist information desk, 24-hour reception, child services, airport transfer service and car rental.
