Overview: SPACIOUS APARTMENT ON THE SEAFRONT PROMENADE OF FUENGIROLA Excellently located on the 1st line of the beach of the Paseo Maritimo of Fuengirola is this apartment with partial sea views. The apartment on the fifth floor consists of 3 bedrooms and 2 bathrooms, one of them en-suite. The master bedroom is bright and overlooks both the sea and the inner part of the complex. The en-suite bathroom is modern and spacious, completely renovated, the 2nd bathroom is of the same style, large and bright. The other 2 bedrooms are of standard size. The living-dining room and the kitchen form a unique space where the sun and the sea are the protagonists. In the living room are the large windows that offer a spectacular partial view of the sea and the outdoor terrace. The windows have double glazing, which not only insulates from the cold and heat, but also from possible noise. These windows give way to a terrace of 16m² from which you can enjoy the wonderful views from it and large enough to have a table to enjoy a meal outdoors or enjoy the sun on a couple of sun loungers. In addition, the luminosity it brings to the interior, its incredible views of the sea, the swimming pool of the complex and its ample size, make it a preferential place in the house. The property has a large communal parking with direct access from the elevator and an automatic door only usable by the owners of the building.
