Overview: RECENT REDUCTION OF €50.000. MUST BE SEEN. Beautiful recently completely renovated property fully furnished with 4 large terraces and private pool. This property has 3 bedrooms and 2 full bathrooms, open plan kitchen to the living room. Living room with fireplace and exit on one side to 3 very large terraces on different levels, with chill-out area, barbecue area - dining room and different environments. On the other side of the house, another large terrace right at the pool. At the rear there is an open outside patio. The house has been completely renovated and is all laid out on one level, though needs to be accessed from the street by stairs, but access to the bedrooms and a bathroom has a little stairs of 4 steps. The reform and furniture is current and with a touch between Mediterranean and Nordic. The kitchen is very well equipped with high standard appliances and white goods and taps etc. in both the kitchen and the bathrooms are of good quality. It has a garage with an automated gate for cars and motorcycles in the lower part of the house with a stair access that leads to the house, surrounding the pool. It also has another parking area, with access through the main gate. The house has 99 m2 useful and is designed to enjoy its large, spacious and comfortable terraces. Highly recommended for Nordics who wish to enjoy the fantastic

climate of the Costa del Sol.
