Overview: This three storey contemporary villa with panoramic sea views is located within a hillside complex of just fifteen houses and thirty one villas. The house has a private plunge pool and garden, a solarium, parking and is sold with high quality furnishings. The complex is located close to the beautiful Spanish town of Mijas Pueblo with its small cobbled streets and excellent restaurants and offers a unique experience to buying a property. The developer offers a complete management and rental service giving you a care-free ownership and a solid return on investment. The five star hotel style services ensure an exclusive concept where a concierge service can arrange a hire car waiting for you at the airport when you arrive, food delivered to your door and much more. Clubhouse for the area has Spa, indoor pool, Gym, Restaurant, paddle courts and shops. Owners who buy this superb villa with panoramic sea views can also enjoy holidays in other countries where you can charter a luxurious crewed sailing catamaran, a sailing yacht, day cruiser or enjoy a skiing holiday in a five star resort for 2 weeks in Saas-fee, Switzerland that's actually included for the owner.
