Overview: SPECTACULAR DUPLEX IN A QUIET AREA OF ESTEPONA. Large and spacious duplex in Miguel de Cervantes in a quiet area. The duplex has three bedrooms, two full bathrooms, one of them en suite, a spacious and bright living room connected to the closed and glazed terrace. One of the rooms is prepared as a large dressing room, mirrors, cabinets and shelves, something idyllic for anyone who has a passion for fashion and organization. The fully equipped kitchen and also communicated with the terrace. From the living room you access the second floor where we find a wonderful attic of about 40 meters enabled as a painting studio, the attic has the possibility of converting it into a small studio with its own bathroom, a special place in the house where you can have privacy. and privacy within your own home. The house has garden areas and a community pool, as well as a highly appreciated private garage. Truly a fantastic property where a family can make their new home. Do not miss the opportunity to request a visit.
