Overview: Villa with panoramic views is new to the market. The villa is located in Urbanisation Buena Vista between Mijas Pueblo and Reserva del Higueron and less than 20 minutes to Malaga Airport and 10 minutes to the beach. The villa has a Spanish/Andalusian style and is very well maintained which means that the villa is key-ready and just waiting for the new owners to come and spend their holidays or live permanently. The villa consists of an open style kitchen into the dining room. The dining room is spacious and with beams in the ceiling, from the dining room there are doors leading out to the sunny terrace and pool area with jacuzzi and lovely views to the Mediterranean sea and the coast of Fuengirola. Livingroom with sofa group and television. 3 bedrooms all en-suite and with wardrobes, even from the bedrooms you have amazing views. The terrace and pool area offer various corners for sun/shade/view but most important privacy and tranquillity and a nice atmosphere. The villa has a large storageroom which could easily be converted into 1 or 2 bedrooms if needed. Private covered parking. The pool is heated for all year usage. The villa has great rental potential and has earlier been rented out through a Danish company
