Overview: Exceptional opportunity in the most prime Golden Mile location! Outstanding 2nd line beachside mansion in between Puente Romano and Puerto Banús. Highly sought-after location, steps away from Marbella's most notable landmarks and beach clubs, 50m from the beach, boasting an imposing contemporary facade and architectural design. Concept by leading architect (Estudio TC), built with the highest specifications throughout, offering spacious dimensions and extra-large bedroom suites. This luxury mansion is fully furnished and tastefully decorated by one of Marbella's leading interior designers. The property enjoys a fully independent plot having maximum privacy with 5 meters high cyprus trees surrounding the perimeter, covered and uncovered terraces, large outdoor pool, full-fledged SPA area with an illuminated indoor pool, relaxation areas, sauna, as well as additional space to implement a gym, wine cellar, massage room, etc. Rare opportunity to take advantage of a genuinely super luxury beachside mansion on the Golden Mile!
