Overview: With a plot area of 1036 m2, this imposing villa has a level of detail in its finishes rarely seen. Distributed in semi-solano, ground floor and first floor, it has beautiful tropical gardens, salinized pool next to a beach bar in the garden, a perfect Irish bar, and a beautiful Spanish cellar in the semi basement, these are some of the details that mark the personality of this house. A total of 4 bedrooms, the main one with a wonderful balcony with fabulous sea views, a large dressing room and an impressive en-suite bathroom. A spacious kitchen of almost 30 m2 with access to the gardens, equipped with an ironing room and a large pantry. In addition to a small gym, parking for several vehicles, and fantastic terraces with the orientation that you want at any time of day. An impressive villa in one of the most privileged areas of the Costa del Sol, at a price rarely seen.
