Overview: Located in the urbanization Retamar, Buddhist stupa area in Benalmádena. This getaway on the Malaga coast has become one of the most appreciated areas as it combines an idyllic natural environment, close to the sea and the proximity to important areas such as the airport, some white villages such as Benalmádena Pueblo and the city of Malaga. Corner unit plot with 648.51 sqm south facing and panoramic views. Perfect for building a new home, as it allows a buildable area of up to 422.33 sqm, distributed on the basement, main floor and first floor. More than enough to enjoy the unique environment of one of the most exclusive areas of Malaga, surrounded by tranquillity and nature. Granted urban land and project available.

Features:

Sea views, None, None
