Overview: Beautiful apartment on the beach, located within the La Roca urbanization, it has a unique enclave as it is 5 minutes from the center of Torremolinos and a stone's throw from the beach, with the tranquility that being in a private urbanization offers. In the same urbanization there is a private path to the beach with an elevator that goes directly to the promenade. It also has access to the Torre de la Roca pool. It has a bedroom, open living area that includes kitchen, living room and dining room, large bathroom and a large pantry as a storage area.

Features:

Pool, Air conditioning, Sea views, None, Parking, None, None, None
