Overview: Fantastic Penthouse Reserva Higueron... This Penthouse is new to the market and priced to sell. The penthouse is located in Hill Collection which is a part of the sought after area of Reserva del Higueron. Reserva del Higueron offers Michelin restaurant and 2 other cafes/restaurants, sportsclub with padel tennis courts, beach volley courts, tennis courts, large and modern fitness facilities. Nagomi Spa with various treatments and spa facilities. Free "train" that runs all day long from the supermarket Carrefour at the entrance of Reserva del Higueron to the Carvajal Beach.. The complex Hill Collection with the penthouse was built in 2018 and offers a nice modern bright penthouse with high ceilings and big windows for full exposure of the beautiful surroundings. Fully fitted open kitchen into the combined living and dining room, from the living room you can slide the big windows and combine the terrace and the living room. 2 bright good sized bedrooms with built-in wardrobes. 2 bathrooms. Integrated hot and cold A/C throughout the penthouse. Fiber internet is available. 2 private parking spots and a storage room comes with the penthouse. The terrace offers 95 m² of sun and fantastic views to the mountains, Benalmadena

and the Mediterranean sea. A big awning (worth 5000€) has been fitted for shade. 3 communal pools is available and free of use
