Overview: Spacious semi-detached villa located in the Selwo area, on the New Golden Mile, between Estepona and Marbella, within short driving distance of the beach. This beautiful house is located in a housing complex where most of the owners reside in them all year round. The house is distributed over 3 floors. The basement, which is very spacious, can house several vehicles or become a children's play area, cinema room, gym, etc. On the ground floor we have the kitchen, a guest toilet and a spacious living room with a fireplace with views and access to the garden of the house. On the top floor we find all the bedrooms, a terrace and a bathroom. The property has been put on the market at a very competitive asking price for a quick sale.
