Overview: Attractive apartment with a fantastic location being within the city with wide views of it and the mountains, very well preserved, you can enter to live directly, close to all services where you can walk to them, with very good orientation to have afternoon sun. The building has a very nice small pool. It is also very interesting due to the ease with which it can be rented. Endowed with good communications, Las Lagunas is a district in continuous growth thanks to the dynamism of its inhabitants, in which more than half of the population of the municipality is concentrated. It is characterized by being the most modern and commercial area of ☐ ☐ Mijas, whose houses, recently created, stand out for their elegance and attractiveness. In relation to the new urban development, the district has been equipped with modern reference infrastructures, such as the municipal sports center, which allows the practice of all kinds of sports; the theatre, with a library and a workshop room; the new health center or the House of Culture.
