M²: 85

Price: 320,000 €

Status: Sale

Property Type: Rustic house Reference: R4079188

Publish date: 12.05.23

Overview: Finca with spectacular views of the sea, the mountains and the town of Casares. This property is only 7 minutes walk to the village of Casares, and two minutes by car. It faces south, so it has a lot of light and large terraces where you can enjoy the good weather we have on the Costa del Sol. The house is built on one level, on entering the house there is a living room with a fireplace and a fully equipped kitchen open to the living room, there are 2 bedrooms and a fully equipped bathroom. This country property of Casares has many mature fruit trees, and around the house there is a very well-kept garden. The elevation of the villa provides breathtaking 360 views. The property is located two minutes by car from the town of Casares, 15 minutes from the beach and the city of Estepona, 35 minutes from Marbella and 55 minutes from Malaga airport. The picturesque location offers tranquil, comfortable and modern country living, with quick access to all local facilities.

Features:

Pool, Air conditioning
