Overview: A stunning modern penthouse, ready to move in! Bright open-plan kitchen flows seamlessly into the inviting dining and living areas. Two beautiful bedrooms and bathrooms, both very bright and elegantly furnished. Guest bathroom is also equipped with full laundry. Both living room and master bedroom have access to a nice balcony to enjoy your breakfast in the morning sun, plus there is a spectacular rooftop terrace with amazing views of sea and mountains and all the sun you desire. The penthouse has been used very gently by its present owners and was never rented out, that's one it looks as good as new! The luscious communal areas are well-maintained and the beautiful pool and its surrounding areas are of a very nice size. A garage space and a storage room are included in the price. The location is also excellent. The beach as well as many shops and restaurants are within walking distance. Charming village of Cancelada provides all the services and is just a short stroll away. If you like to walk a bit further down the beach, it is also a lovely walk towards Estepona, stopping by charming chiringuitos as you go. Penthouse asking price includes the furniture, so it's a perfect stress-free property to move in!
