The entrance to the property leads to a solarium area over the private garage and the front garden laid mainly to lawn with established trees and shrubs. The entrance porch leads to living area with dual aspect windows to the front and rear of the property. There is a fully equipped kitchen, 2 spacious bedrooms and a family bathroom suite. To the rear of the property is a patio and BBQ area as well as a fantastic south west facing pool area - perfect for those summer days lazing by the pool.
