Overview: Hard to find a better location. Just 150 meters from the magnificent sandy beaches of the Carihuela this large corner apartment offers very comfortable and stylish accommodation. On the market for the first time since built this cherished family summer residence is ready to charm and delight new owners. A very large terrace overlooks the garden with it's adult and children's pools, and offers glimpses the sea. All three bedrooms are good sized doubles, one of which is en-suite. A desirable jewel by the sea.
