Overview: This is a great opportunity to invest in the Arenal Golf complex located in Benalmadena not far from Arroyo de La Miel and Torrequebrada. This property has been finished to a high standard with marble floors throughout and also a granite work top in the kitchen the property has a nice sized sunny terrace and attractive communal areas including a pool. Nearby there are many sports facilities. This property also is included with two private garage spaces and a very useful large lockable storeroom.
