Overview: Not many apartments come up for sale in these particular blocks in Capanes del Golf. Very good block. The apartment enjoys beautiful views across a small but quiet pool to the extended golf course of El Higueral. Located on the first floor it has the sun from late morning all the way through to sunset. The apartment is spacious and all 3 bedrooms have ensuite bathrooms. There is also a guest toilet. In the garage there are two large parking spaces and a storeroom. Definitely worth a viewing!
