Overview: Private Estate in the outskirts of Estepona One of a kind, a magnificent private estate of 207.000m2 with superb sea and mountain views 3 km from the coast and all types of services and 15 minutes from Puerto Banus. It represents a unique opportunity for the discerning individual who values absolute privacy and security in glorious surroundings abundant with wildlife. The principal house, is an imposing classical mansion of Moorish/Spanish architecture with high ceilings, stone arches and antique fountains built around a grand central courtyard. It boasts a total of 10 bedrooms and 8 bathrooms, of which 7 of them are bedroom suites, there is a large bespoke kitchen, beautiful and ample living and dining areas, several offices and a separate staff apartment. The property is surrounded by beautifully landscaped gardens and terraces with a magnificent panoramic view of the coast and the mountains. There is an inviting moorish-style pool and a large carp lake in an olive grove. The property has great potential as it can be purchased with extra land and a second 9-bedroom house and possibilities to turn into a luxury hotel.
