Overview: Penthouse in a very good location, spacious and very bright, but that requires a complete reform. It is located in the center of Marbella, just when the old town begins, close to two hospitals and all services, shops, banks, supermarkets, theater, ect. It has a small terrace with partial sea views. This property needs reform. The elevator is new, the exterior facade has been painted in 2021 and the interior painted in 2022.
