Overview: HACIENDA BUGANVILLA, A MAGICAL PLACE TO DREAM We present this rustic-style hacienda in an ideal place 25 minutes from Malaga and 5 km from Coín. It can be said that you have three clear options: - Hacienda, villa or farm to live all year round, with space for the whole family - Hostel, rural hotel or Bed and Breakfast to do a business with a multitude of configurations. - Events, it is an ideal place to celebrate weddings, baptisms, communions, company meetings... Divided into three plots of 17,297m², 6,375m² and 2,889m² with dreamlike exteriors and unobstructed views. A huge and spacious main house with two floors with a double-height entrance hall to be divided into two wings with three large living rooms with fireplaces, an American-style kitchen open to the terrace with a wood-burning oven. There is a winter terrace with several accesses to the outside. Well-kept gardens, perfect for your photo reports, with a very extensive lawn surrounding the pool. The entrance has a private tree-lined path, there is a place to leave the dogs, a large warehouse, an industrial kitchen for events, bathrooms prepared to receive guests, an apartment for guests or service. It has main electricity (three-phase), well water, internet connection and alarm system.
