Overview: Beautiful house for sale in the traditional town of Archidona, in the Santo Domingo neighborhood at the entrance of the town. In addition to its excellent location, the house has beautiful volumes, spacious and bright rooms that, with its high ceilings and moldings, make it unique in its style. It is distributed over 3 floors: basement, ground floor and first floor, with open spaces, for a total area of 395 m². 2 living rooms, 2 kitchens, 7 bedrooms, 3 bathrooms, laundry room, interior patio, garage for 4 vehicles and a large open basement.
