Overview: This is a great opportunity to acquire a very special house within the gated Santa Clara Golf community. This large house is not to be confused with other houses in that it has five bedrooms and also five bath rooms and a large closable garage with space for two cars. The property enjoys three bedrooms and three bathrooms on the upper level a good sized living room, dining room, bathroom and kitchen on the middle level and then 2 extra bedrooms with natural light and a bathroom on the lower level. The property has a good sized garden at the back and a sunny front terrace perfect for enjoying breakfast and the Spanish climate. Many owners have put a small swimming pool in their garden, however the community also has a Swimming pool just two minutes walk from the house. Finished to a very high standard this is a must see property. Santa Clara is a luxury golf development just 5 minutes from Marbella centre. This well kept gated area has 24 hours security & community pools.
