Overview:Charming 'Gaudi Style' Finca in Monda . Unique circular design . 20 Olive trees . Private setting . Studio This beloved family home in Monda is nestled into the hills. The property feels like a real oasis, a completely private setting but with great access! The house itself has a very logical layout, you enter into an open plan living and dining room with the kitchen located to your right. There is master bedroom with ensuite as well as two other bedrooms that share a bathroom. There is also a separate casita built as an art studio but that could be converted into a guest bedroom. Outdoor area and land: Outside is a shaded dining area and garden, the rest of the land is dotted with fruit and 20 olive trees that produce 160L of oil. There is also plenty of private parking. Views: Surrounded by beautiful countryside. Access: Good access, about under a kilometre from the road
