Overview: A true treasure in the heart of Marbella is this apartment. With its south orientation, you will enjoy natural light throughout the day. Despite being in good condition, it needs some reforms to adapt to your personal needs and tastes. With a covered terrace, you can enjoy the views of the city and the sea, perfect to relax and enjoy the wonderful climate of Marbella. With fitted wardrobes, elevator and utility room, this apartment offers additional amenities for your comfort. Just a few minutes from shops, schools and transport, this apartment is an excellent option for those looking to be close to everything. Marbella is known for its lively nightlife, beautiful beaches, and varied shopping and dining options. It also has a wide variety of outdoor activities, from hiking to water sports. Undoubtedly, an ideal place to live or enjoy unforgettable vacations.
