Overview: Large warehouse of 186 m² in Fuengirola A newly renovated warehouse located in the Las Lagunas area that is currently used for a business focused on cars. It has two floors where you have storage for cars on the lower floor and an office with a large storage room and kitchen on the upper floor. You can store 12-14 cars on the lower level and on the upper level there is a large area for storing tools and materials. The warehouse have both water and sewage. There is also the possibility of building two more levels for apartments. The floor has been painted with wear-resistant epoxy paint and walls in high-quality paint that keeps moisture out.

Features:

Parking, None
