Overview: Beautiful apartment with panoramic views of the Mediterranean that are everything! The apartment has 61 square meters that are distributed in a nice living room with a fully equipped American kitchen, on the same floor below we have a renovated bathroom and a nice room with its built-in wardrobes and from the window beautiful views of the sea. On the upper floor and going up a cozy staircase we find a wooden loft that can be used as a second bedroom or a games room. The ground floor floor is made of marble and the living room has an air conditioning unit, then we can appreciate the finishes in the reform that give warmth to the floor making when you enter you feel at home. The urbanization has garden areas and a community pool, and a garage space is included in the price. If you want to live in a quiet area but above all to have beautiful views of the sea, do not hesitate to contact us and we will give you a tour of this beautiful urbanization.

Features:
