Overview: lovely 2 bedroom Penthouse with spectacular panoramic views This stunning 78m<sup>2</sup> penthouse has been fully renovated to very high standards and offers amazing sea views from the lounge and dining area and a spectacular view from the approximately 80m<sup>2</sup> large private roof terrace. parts of the downstairs terraces have been enclosed and incorporated into the living area. The community offers a large pool, a big garage space and a storage room. Located at the upper part of Calahonda it is still very close to transport and the access to the toll road is only a short drive away. Several restaurants are also within walking distance. A truly stunning and unique property of high quality and the best sea views.
