Overview: Duplex Top floor in Torrequebrada with incredible views. Spacious penthouse duplex with 4 bedrooms, ideal for a big family, excellent rental incomes, and a tourist license already in place. On the entrance floor, you find the fully equipped independent kitchen. Next to the kitchen there is a guest toilet. The living room is bright and spacious, with direct access to the terrace with open views over the sea and Torrequebrada. Next to the living room, you find a master double bedroom with a bathroom en suite. Going up the comfortable stair, you reach a hall from which the other 3 bedrooms are distributed; the biggest bedroom has an en suite bathroom and the others share 1 bathroom. The complex has a gated community, built in 2005, in which there is a swimming pool for adults, another for children, a gym and even a paddle court. 1 underground parking space and 1 generous storage are included in the sale price. Apart from the proximity to the beach (10 min walk) around Torrequebrada and restaurants such as Las Yucas or Trocadero, this apartment is one step away from all amenities: supermarkets, golf courses and international schools, banks etc.
