Overview: Opportunity. Apartment in Los Naranjos de Marbella. Private urbanization with all services nearby. The apartment is a ground floor with 3 bedrooms. The master bedroom is south facing and en suite with bathroom with bathtub. The other bedrooms share bathroom with shower. Very spacious living room connects to a terrace to the south. The kitchen is independent and can be integrated, spacious and with laundry area. The urbanization has gas connection, so you can put gas heater and heating. Currently using electric boiler. The house has air conditioning cold heat with installation by tubes throughout the property. There is also a fireplace that works perfectly in the living room. A great property in a great area.
