Even the name is the part of the rich heritage, taken from 11th-century Moorish prince Havis who reigned in Montemayor Castle. The gated community with 24-hour surveillance spans over 330 hectares of land, of which 54% remains a green belt zone, therefore it offers

low-density and exclusive tranquil living amongst the magnificent Andalusian landscape. At the same time it is only a 15-minute drive to the beach, 25-minutes to Puerto Banús with all its glamour and chic, and less than 1-hour drive from both Malaga and Gibraltar airports. Plenty of golf courses will please the true aficionados of golf. 10-minute away lies remarkably unspoiled Benahavis, with a picturesqueness which almost makes it seem like a film set. This white hillside village is wellu0002known for its beauty of nature, traditional architecture, hospitality and authentic restaurants (expect the best roasted lamb and suckling pig in a wood-fire oven).
