Overview: 307 m² built: 172 m² floor area and 135 m² of Terrace!! Located in one of the most prominent urbanization on the Costa del Sol, this contemporary, luxurious apartment offers magnificent views of the ocean. Fantastic top-floor apartment in a luxury urbanization with magnificent views of the sea and mountains in Costa del Fuengirola. This apartment complex has been constructed with the highest standards of quality, design, and security. The living room, dining room, and kitchen are all positioned in these large, open-plan spaces, and they all have access to the patio. The spacious terrace with its stunning views and sliding glass door, which seamlessly connects the interior and outside area, also features a lovely and contemporary design that extends from the fully furnished open-plan kitchen. A barbecue area, a jacuzzi, sun loungers, a chill out space, and a huge dining table have all been included in the design of the spacious terrace where you can take in the most breathtaking sunsets and sunrises. Right now, the house has two double bedrooms. The master bedroom was originally two bedrooms that were combined into one enormous bedroom, however it is simple to return to its original configuration of three bedrooms. The master bedroom features two bathrooms, one with a shower, bathtub, and double sinks, and it also has a separate access to the terrace. It also has built-in wardrobes. A shower-equipped bathroom is attached to the second bedroom. The apartment also has a fourth bathroom/laundry room with a washer and dryer in the corridor. The complex is located between the sea and the mountains, modern shopping centers and more than 60 golf

courses, which make this area the European golf paradise. the best starting point for exploring the cosmopolitan setting that the Costa del Sol has to offer. Enjoy a variety of cultural, culinary, sporting, outdoor, and recreational opportunities.
