Overview:Spectacular apartment in front of the beach. Located in the Doña Lola urbanization, in Mijas Costa, a resort with an infinite number of services to have fun and relax as it has wonderful tropical gardens where there are two communal outdoor pools, one of them with a temperature of 28 degrees all year. Additionally, the complex has other services at a reduced additional cost such as an indoor pool with Jacuzzi and Turkish baths, a fully equipped gym, and tennis courts. The house is very bright, spacious, and very organized since it has a small laundry room and each room has built-in wardrobes, the constructed area is 114m² distributed in 3 bedrooms and 2 bathrooms and a 10-meter terrace with sea views. The beach is a few meters of walking and there are several supermarkets nearby, some of them located within the resort Ideal apartment for investment or vacations. Ideal apartment for investment or vacations.
