Overview: This property is stunning!!! The views are incredible and the apartment is perfection! Refurbished to a completely high standard including brand new, white, wood flooring. The kitchen is brand new, designed and made by Schmidt. Spotlights, awnings, Lux flex blinders, all high spec. On entrance to the apartment you notice the clarity of light and the brightness. You have the lounge and dining area and the expansive terraces before you and the kitchen at the far end. Privately located down a hallway are the 3 spacious bedrooms, the master bedroom having its own en suite and private access to another terrace, which it shares with the second bedroom. These two bedrooms face east for incredible sunrises. The penthouse is fully furnished, with stylish, modern furniture. The terrace furniture is all to a high standard, meaning you can simply move in!! Furniture on the solarium will ensure you don't miss a single sunset, in this heavenly, envious location.
