Overview: If you are looking for something unique, in a very exclusive and quiet area with panoramic and sea views, but at the same time very close to the historical center, shops and amenities and walking distance to the beach, this will be the right property for you. This gorgeous penthouse, is part of an unique new development, already finished, of only 16 apartments, distributed in 2 different blocks, of apartments between 3 to 4 bedrooms with very large terraces and solariums. The common areas count with a very nice infinity pool, chill out zone and a kids friendly area. This unique penthouse is distributed in the main level, with a very large living room area with access to the main terrace and 4 bedrooms. The master bedroom with ensuite bathroom has access to the main terrace and two other bedrooms has also access to a different two other spacious terraces, one facing the mountain and the other one the sea. The apartment comes with one parking space and one storage room included in the price. It is not every day we find such a beautiful developments in an area so demanded how it is El Limonar. Do not miss out to be one of the lucky owners and contact us to arrange a viewing and be delighted by the amazing views.
