Central Heating Property Details: This property sits on a lovely secluded plot but feels very open with views of the Mijas mountains. The property offers lots of living space with an especially large lounge, fully fitted kitchen, dining room and cloak room on the ground floor. The lounge is bright and airy with windows to both aspects. To right of the lounge is the fully kitchen that has been designed with a great deal of thought. The cloak room is also located in this area as is the separate dining room with french windows opening to the subtropical landscaped gardens, pool area and OUTDOOR KITCHEN. Upstairs you will find the 4 bedrooms and the guest bathroom. The master bedroom is especially large running the width of the property with the added luxury of an ensuite bathroom, french windows opens to the balcony allowing the owners to enjoy views of the garden, pool and distant mountains. To the left of the main house is a garage with car porche and two storage rooms. You will also find two more storage rooms at the top of the land and close to the driveway. Storage is definitely not an issue here! Outdoor area and

Land: Top plateau where the house sits and several terraces that are landscaped for growing vegetables etc. There is also garage and car porch and several storage buildings. Views: Mountains and countryside Access: Good.
