Overview: This spectacular Apartment in which the prestigious architect Rafael de La-Hoz has removed any visual barriers between the sea and the residence. The ground floor apartment has a large living with direct access to a covered balcony, a full fitted, open plan kitchen with modern appliances, and a guest toilet. Inside the apartment there are 3 bedrooms with fitted wardrobes. The master bedroom with a private balcony and an ensuite bathroom, the 2 other bedrooms share a bathroom. The ground floor apartment with direct access to the beach, blend seamlessly into the organic form of the Mediterranean environment. All surface areas are pedestrianised and the building is exquisitely arranged around a garden, the boundaries of which blend seamlessly with the sand of the beach. The property offers spacious and bright rooms, open views to the landscape, which enjoy views of the sea with absolute privacy.

Features:

Pool, Air conditioning, Lift, None, Parking
