Direct from the owner,. FOR INVESTORS: Why Buying a

1-Bedroom Apartment is the Best Form of Investment? Most relevant reasons: 1- Rental income: It offers a higher return on investment since the tax cost and the expense of this is minimal in relation to the onerous rental price that can be obtained, especially in this highly demanded and exclusive area. And if not, why are there no current offers of one-bedroom apartments available in this area? 2- Enough space for everything: The minimalist style is a trend as current as it is healthy in every way, fewer belongings are stored, there is less mess and cleaning is much easier, tenants are taking this into account when it comes to decide between less cost or more "useless" space.
