Overview: Spacious top floor apartment! The apartment on the top floor of this new building consists of a spacious living room with 2 balconies offering panoramic views of the entire mountain. The kitchen is L-shaped with two windows and is spacious and bright. It has 2 bedrooms and 2 bathrooms. In addition, each room has built-in wardrobes and another small closet at the entrance. The apartments are pre-installed with hot / cold air conditioning in all rooms. Overall, this apartment seems an excellent option for those looking for a place new and modern with lots of space. The parking space and the storage room can be purchased separately.
