---

Overview: This home offers a tranquil feeling which runs throughout the property. The interior has been carefully designed to create harmony. The main floor holds the integrated kitchen and living room. This area offers plenty of light and opens up towards the terrace which further offers beautiful sea and mountain views. T perfectly with the soft beige dining tables on the 10 seater dinner table just in front of it, creating a tasteful, muted colour-scheme that makes you want to unplug and relax. 3 bedrooms are situated on the second floor and all room on this floor open up to a terrace with sea and mountain views. In the lower part of the house you find a Cinema room, a games room with a fully installed Golf Simulator. The home is ideal for Golf lovers.
