Overview: One of the few one level front line golf villas within Mijas Golf, in a quiet privileged cul de sac. This villa was completely refurbished and designed for year round indoor and outdoor life, comfort and privacy. The delightful garden benefits and enjoys the sun from sunrise to sunset. The covered terraces have a system of electric blinds that give an added dimension to the villa. Different dining and chill-out areas make this property very special. The spacious lounge with fireplace and dining area are connected to an enclosed atrium all with large windows and doors to a terrace and with open views to the golf course. A practical fully fitted kitchen opens to a covered terrace and barbaque area. In one wing of the house we find the master bedroom with bathroom en suite and two extra bedrooms sharing a bathroom, and a guest toilet. All these bedrooms equipped with built in wardrobes. In the other wing of the house, there are a guest bedroom, a shower room and a sauna made of Finnish wood, with spectacular views over the golf course. In this area we also find the garage, which could easily be converted into another room, as the property has an outside parking area covered by an awning. The spectacular garden and pool area have access through the terrace or by a ramp surrounding the property. This property has a heated pool, solarium, electric gates, solar pannels, alarm, ventilation system and air conditioning.
