Overview: Location, location, location... welcome to the fabulous Higueron Resort. Higuerón West is a high quality, innovative and sustainable residential development designed to offer the best contemporary living experience in Southern Spain. Creating a community built around an exceptional quality of life where residents are encouraged to lead healthier lives with a great range of wellness facilities and services. This, in addition to beautifully styled contemporary apartments and sky villas, 21st century amenities and a panoramic location is what sets Higuerón West apart. This stunning 2 bedroom, 2 bathroom apartment has been equipped with the best qualities and all of the extras enabling the very best in luxury living. The entire home has underfloor water heating with split temperature control for the living room and bedrooms. Each room also has its own climate control (airzone) mounted on a state-of-the-art aerothermal system. Whether the system is set to air-conditioning or hot air, you can control the temperature as you wish in the bedrooms and living room. The air ducts (DUCTS) are hidden in the ceiling with grills in each room. The bathrooms have electric underfloor heating. Along with this great apartment you get two parking spaces included, one of which can be equipped with a car charging box. Within one of the parking spaces, a large storage room has been built, which is lockable and out of sight. Purposely designed homes and facilities to enable you to experience the upmost luxury and wellbeing.
